### English Speaking Guide – MAC EMPÚRIES

In this enclave, there are remains from a Roman city that was founded in the early 1st century BC, as well as structures from a Roman military camp installed during the previous century.

### Archaeologist Trainee – ARCH. SITE OF CARTHAGE

Tunis, Tunisia

My internship consisted in fieldwork, helping the District of Tunis Archaeological staff on the restoration and maintenance work at the Archaeological Site of Carthage which has been protected by Unesco Heritage Program for Historic Monuments since 1985.

Carthage was founded in the 9th century B.C. on the Gulf of Tunis. From the 6th century onwards, it developed into a great trading empire covering much of the Mediterranean and was home to a brilliant civilization. During the long course of the Punic Wars, Carthage occupied territories belonging to Rome. The Romans finally destroyed their rival in 146 B.C. A second Roman settlement was then established on the original ruins of Carthage..
